Muntinlupa City, Metro Manila, Philippines (100% Remote) allenolavidez@gmail.com allenolavidez.vercel.app LinkedIn

Full-Time Dedicated (6—7 Days/Wk | 6—8 Hrs/Day | 40—50+ Hrs/Wk)

PROFESSIONAL SUMMARY

Systems-driven, high-velocity **TikTok Shop AI Creator & E-Commerce Video Specialist** with an academic background in Information Technology (BSIT, South Mansfield College) and 4+ years of hands-on media production and digital commerce experience. Specializes in uniting cutting-edge generative AI video engines (**Google Flow, Google Veo, Kling AI, Runway Gen-3, Higgsfield, Midjourney v6**) with conversion-obsessed direct-response post-production (**CapCut Desktop, Adobe Premiere Pro, ElevenLabs**).

Proven track record executing end-to-end TikTok Shop creatives, DTC launches (Artisan Beadfit), and high-retention vertical video frameworks. Engineered 3-tier hook frameworks across a 1,000+ video library delivering **>40% 3-second thumbstop rates**. Operates with an account-growth mindset: rapid angle testing, dynamic camera b-roll generation, AI artifact elimination, and 100% dedicated full-time execution capacity.

PROFESSIONAL EXPERIENCE

Lead Video Editor & Digital Operations Specialist (E-Commerce & AI Content)

2024 – PRESENT

Independent Brands & Artisan Beadfit (Private Label DTC & TikTok Shop) | Remote

- **TikTok Shop Product Creatives:** Directed, scripted, and edited high-converting 9:16 vertical video assets for Artisan Beadfit (custom gemstone bracelets). Combined generative AI b-roll with real product macro-shots, leading to strong viral discovery and flash-sale conversions. Direct Video Proof: allenolavidez.vercel.app/artisan_beadfit_web.mp4
- **Generative AI Video Production:** Built high-velocity production pipelines utilizing Google Flow, Google Veo, Kling AI, and Midjourney to generate product b-roll, lifestyle environments, and cinematic transitions without expensive live shoots. Samples: Action AI Cut | Atmospheric AI Cut.
- **High-Velocity Creative Testing:** Generated and iterated 15—25 creative variations weekly, testing different opening 3-second hooks, sound tracks, and text hooks to identify winning algorithm triggers.

Video Editor & Content Scriptwriter (Part-Time Retainer)

NOV 2025 – PRESENT

US Authority Brand & Transformation Practice (1.5M+ Global Audience) | Remote (~10—15 hrs/wk flexible)

- **High-Volume Retention Video Library:** Produced high-retention video assets across a premier 1,000+ published video catalog (161 long-form masterclasses and 869 short-form modules).
- **Algorithm-Optimized Hooks:** Engineered custom 3-tier hook frameworks (Contrarian Slap, Symptom Mirror, Authority Hook) driving >40% 3-second thumbstop rates and sustained audience retention.
- **Pacing & Polish:** Trimmed pauses, matched kinetic caption styling to brand aesthetic, and layered bespoke audio soundscapes.
