## PROFESSIONAL EXPERIENCE

### Remote Executive Assistant & Operations Specialist

`2024 – Present | Remote`

**Independent Client Operations • Remote**

- **Digital File Architecture & Cleanups:** Restructured disorganized cloud repositories across Google Drive and Notion, establishing standardized folder hierarchies and naming conventions that reduced file retrieval time across team members.
- **Pipeline Tracking & Spreadsheet Automation:** Architected centralized Google Sheets trackers to monitor project milestones, document handoffs, and pending requirements, implementing conditional formatting and cross-sheet formulas to keep operational statuses accurate.
- **Executive Calendar & Task Coordination:** Managed leadership calendars, prioritized daily tasks, organized meeting agendas, and followed up systematically on action items until every deliverable was completed.
- **Standard Operating Procedures (SOPs):** Documented repeatable step-by-step administrative guides and checklists, ensuring seamless process execution and data consistency.

## PROFESSIONAL EXPERIENCE (CONTINUED)

### Customer Operations & Insurance Policy Specialist
Insurance Industry Account

2022 – 2024 | Metro Manila

WNS Global Services • Client: NRMA (Australian General Insurance)

- **Insurance CRM Maintenance & Data Accuracy:** Handled daily policyholder accounts in enterprise CRM databases, ensuring client profiles, policy endorsements, and account updates were logged with 100% data integrity and zero compliance errors.
- **Document Intake & End-to-End Processing:** Moved customer applications and required insurance documents through structured intake verification stages, following up on pending items and missing paperwork until cases reached completion.
- **Strict Discretion & Regulatory Compliance:** Handled highly confidential policyholder PII (Personally Identifiable Information) and financial records daily, maintaining a spotless record with zero privacy breaches or regulatory violations.
- **Operational SLA Excellence:** Consistently met enterprise benchmarks for handle time, documentation turnaround, and quality audit scores, thriving in a high-volume, detail-intensive operational environment.

### Compliance & Account Documentation Specialist (Tier 2 → Tier 1)

2020 – 2021 | Metro Manila

Concentrix • Account: Citi (Financial Services)

- **Account Verification & Auditing:** Verified customer account credentials, verified legal and payment paperwork, and logged detailed case notes in enterprise banking databases.
- **Rapid Merit-Based Promotion:** Promoted from Tier 2 to Tier 1 within 6 months based on meticulous documentation quality, negotiation ethics, and zero compliance errors.
- **Confidentiality & Discretion:** Strictly safeguarded sensitive client financial information in full compliance with federal banking regulations.

### Administrative & Operations Coordinator

2016 – 2020 | Metro Manila

Mobilia Fabrica (Custom Fabrication & Lifestyle Goods)

- **Order Error Reduction:** Architected customized quotation sheets and master order trackers in Google Sheets/Excel, reducing order tracking errors by 25% across 10–30 concurrent monthly bespoke builds.
- **File Systemization:** Organized digital workshop folders, technical specification sheets, and vendor price lists so team members could locate required assets immediately.
